

# L'EURO DEMEURE LA DEUXIÈME MONÉTAIRE INTERNATIONALE MAIS AVEC UNE IMPORTANCE DÉCLINANTE

## Importance de l'euro dans le système monétaire international (2017 T4)

## Mesure agrégée du rôle international de l'euro

Sources : rapport international de l'euro 2018, données T4 2017 ou dernières données disponibles

Sources: BIS, IMF, CLS, Ilzetzki, Reinhart, and Rogoff (2017) and ECB calculations.  
Notes: Simple arithmetic average of the shares of the euro at constant (current) exchange rates in stocks of international bonds, cross-border loans, cross-border deposits, foreign exchange settlements, global foreign exchange reserves and exchange rate regimes. Data at constant exchange rates were not available for foreign exchange settlements.
